MARBLE FLOATING DUCK

$288

Other • Marble • Collection #CCGP001A

W: 9.0″ D: 7.5″ H: 5.75″

Water features have long figured into garden design, from the formal pools of Mughal emperors to the Zen naturalism of Chinese ponds. Although the origins of this sculpted duck remain a mystery, we can easily imagine it floating in the watery surroundings of such an enchanted setting. Remarkably buoyant, the duck was made of two hollowed sections of marble secured together as one piece.
