CELADON TAPERED VASE

\$780

Zhejiang, China • Celadon • Collection #BJEE167G

H: 20.0" Dia: 11.25"

For centuries, collectors have coveted fine celadon ceramics like this elegant contemporary tapered vase. The glazing process is complex: an artisan covered the vase in liquid iron-rich clay, and then with a glaze that reacts to the iron to create this extraordinary shade of celadon green. Crafted by an artisan from Zhejiang province, this vase offers a modern take on ancient Chinese designs.
