BALIN STONE

\$480

China • Stone • Collection #BL5036

W: 16.0" D: 10.75" H: 7.75"

Following the softly sculpted form, marbled coloring, and natural veins of this one-of-a-kind balin stone can be deeply meditative. Scholars in ancient China decorated their studios or gardens with stones like this. The natural beauty of the rock was said to help focus the mind while composing poetry, painting landscapes, or writing calligraphy.
