BALIN STONE

\$628

Dongbei, China • Stone • Collection #BL5021

W: 12.0" D: 20.5" H: 6.0"

Created hundreds of millions of years ago, this Balin stone forged in Inner Mongolia has beautiful veining and mottled colors that promote contemplation. A well-chosen stone is a focal point of both a traditional Chinese garden and a scholar's studio—evoking mountains and the whole of nature, while, at the same time, inspiring creative thought.
