BLUE AND WHITE FISH BOWL

\$1,480

Southern China, China • Porcelain • Collection #BJCC037

H: 20.75" Dia: 24.75"

The fish on this monumental handpainted 19th-century bowl from Southern China represent blessings for love and wealth. Chinese symbols take on added meaning and nuance when combined with other motifs. The blue lines painted near the fish suggest water, which offers the wish "to be as content as fish in water."
