BLUE AND WHITE PORCELAIN TEA POT

W: 7.5" D: 7.0" H: 6.75"

This finely crafted porcelain teapot was made over 150 years ago. In China the art of brewing tea changed from dynasty to dynasty. Many connoisseurs believe that the complex flavors of the beverage can be enhanced or changed by the teapot it's served in. The finely painted blue and white porcelain wouldn't absorb flavor, keeping the taste of each brew clean, and pure.
