BLUE GLAZED LONGEVITY BOWL

\$1,080

c. 1850 • Shanxi, China • Terra Cotta • Collection #Q244

H: 12.5" Dia: 24.0"

This shallow terracotta bowl is delicately decorated in low relief and cloaked in a monochrome layer of dark blue glaze. Framed by a meander trim and billowing cloud motifs below, two cranes fly towards a pine tree with wings outspread. In combination, these motifs are a powerful blessing for peace and longevity. With addition of a drainage hole, this monumental bowl can now be filled with lush greenery or striking floral arrangements, a wonderful addition to any garden.
