KOREAN BRASS RICE BOWL CANDLE

\$288

c. 1850 • North Korea • Brass • Collection #BJC027C

H: 3.25" Dia: 4.5"

With simple form and a dark patina that calls to be touched, this brass rice bowl would have once accompanied nearly every meal in a 19th-century North Korean household. Now filled with unscented black wax, the metal bowl gains new purpose as an elegant candle.
