BRONZE MIRROR ON STAND

\$4,880

c. 800 • China • Bronze • Collection #BTF049

W: 5.75" D: 2.5" H: 8.75"

Dating around 800 AD during the Tang dynasty, this bronze mirror has developed a beautiful green patina that brings into contrast its embossed running dog motif. This mirror came from the Todd Collection, the foundational 1,000 piece bronze mirror collection that defined the study of these incredible antiquities. A conversation piece on a desk or console table, the mirror is mounted on a custom stand.
