In the 1930s, Shanghai, China was swept up in the Art Deco design movement. Design, architecture, art, fashion, and furniture were all influenced by this modern movement, permeating every part of life in the bustling, vibrant city. This stylized club chair is a product of that era and exemplifies the qualities that make Art Deco so sought after: simple lines, striking colors, and bold geometric shapes that remain timeless, even after so many decades. The plush chair has been reupholstered in a soft alpaca wool, the milky white color perfectly contrasting the rich finish of the rosewood frame.
