## FLORAL CARVED FRAME WITH MIRROR

**\$1,880**

c. 1850 • Northern China, China • Walnut, Glass • Collection #CAI075

W: 17.0" D: 1.0" H: 22.5"

This contemporary beveled mirror is set in an antique walnut frame hand-carved with a flowered trailing vine motif. Chosen for its rich color and open grain, walnut was the ideal wood for realizing the high level of workmanship characteristic of the Qing dynasty. A rich patina has developed over the years, bringing the frame's intricate carving into beautiful relief.
