\$1,680

c. 1900 • Hebei, China • Pine, Lacquer • Collection #BJFF149

W: 36.25" D: 16.0" H: 33.25"

To refresh its clean lines and great proportions, we've added a coat of rich cinnabar to this handsome chest's original lacquer finish. Made around 1900, the chest was skillfully constructed of pine without benefit of nails or screws. As an entryway piece or small sideboard, the chest warms the room with its rich color, simple silhouette and earnest character.
