CLOUD TEA LEAF JAR

\$580

Jiangxi, China • Porcelain • Collection #BJEE015

H: 15.75" Dia: 13.25"

Green tea grown high in the clouds of China's Lushan Mountain is called "cloud tea," and is famous for its beautiful thin leaves, fresh color, cool taste, and aromatic smell. Drawing on a traditional shape, this contemporary vase is coated in a milky white glaze that calls to mind the celestial clouds for which the tea is named.
