CLOVER BASIN

\$2,280

Shanxi, China • Marble • Collection #BJFF042

W: 16.0" D: 22.25" H: 8.0"

Shaped in a quatrefoil shape similar to that of a clove bud or common clover, this grey marble basin from Shanxi province has a graceful, low profile. Also suggestive of lotus blossom, a Buddhist symbol for purity, the shape of the basin feels right as a birdbath or low planter.
