CLOVER LEG ALTAR TABLE

\$5,280

c. 1850 • Shanxi, China • Northern Elmwood • Collection #BJFF021

W: 66.75" D: 15.0" H: 33.25"

Cutting a spare, Parson's-style profile, this Qing-dynasty altar table is all about clean lines and rounded forms. A network of streamlined supports shapes the apron, leading into legs formed like a clover-like cluster of rods. Made of northern elmwood, the table's striking minimalism is made even more impressive by the fact that the table constructed without the benefit of nails or screws.
