## DUSTY ROSE SALT JAR

**\$280**

Zhejiang, China • Porcelain • Collection #BJEE079B

H: 10.75" Dia: 9.0"

Chinese porcelain was exotic, the colors were beautiful and bright, gifted ceramicists made designs that were durable and useful, and the craze to collect them spread across the world in the 1700s. This beautiful salt jar is a more modern example of an ancient form, and jars like this were used to store salt and other daily necessities. The dusty rose color of the glaze has long been a symbol of love and allure in China.
