## EIGHT DRAWER CHINESE DOCUMENT CHEST

**\$2,880**

c. 1850 • Shanxi, China • Northern Elmwood • Collection #CJH001

W: 19.75" D: 19.75" H: 32.25"

Just like contemporary flat-file storage, this handsome 19th-century chest provided an administrator in Shanxi province with eight drawers to organize flat documents and important papers. Despite decades of use, which have given it a pleasingly rustic appearance, the chest still provides a handsome storage option for the office, art studio, or dining room.
