## EIGHT IMMORTALS TABLE

**\$6,380**

c. 1850 • Shanxi, China • Walnut, Lacquer • Collection #BJAA082

W: 36.25" D: 36.25" H: 32.75"

Named for its seating capacity, this 19th-century walnut table once gathered together a party of eight with a bench for two on each side. Hand-crafted of walnut and cloaked in a layer of original lacquer, the table is distinguished by the finely carved floral motif of its cusped apron and stretcher bars. Prized for the open grain and golden-brown color of the wood, this eight immortals table has the timeworn rusticity of an heirloom table.
