FOUR DOOR COFFER

\$6,980

c. 1900 • Mongolia • Wood • Collection #BJFF045

W: 86.75" D: 16.25" H: 37.0"

Created in Mongolia for general household storage, this 19th-century coffer has a straightforward design with lots of rustic appeal. Originally configured to open at the top, the chest was modified with doors by our carpenters skilled in traditional joinery. The coffer reflects the no-nonsense style favored by a culture long rooted in a nomadic and horse-focused lifestyle. Its Shaker-like simplicity fits right into the modern home as a sideboard or credenza.
