\$1,880

W: 36.25" D: 14.0" H: 33.75"

Brushed with many coats of red lacquer, this petite table once bore ritual objects as an altar table. Made around 1900 of Chinese northern elmwood, the table has a simple square shape, ever so slightly decorated with the subtle hoof-shaped feet, brass hardware and just a hint of relief carving. Asking to be showcased in an entry or hallway, this spirited table was designed with a bottom open shelf, two large drawers and two smaller drawers that were likely originally used for storing incense.
