## FOUR DRAWER SHALLOW TABLE WITH HOOF FEET

**\$4,980**

c. 1850 • Jiangsu, China • Northern Elmwood • Collection #DVE001

W: 59.5" D: 17.5" H: 32.25"

Long, narrow tables like this were originally designed to hold musical instruments. This shallow Elmwood table was made 150 years ago in the Jiangsu region of China. A prime example of Qing Dynasty furniture, the table has hooped feet, is beautifully proportioned, and four doors to store your personal items—it combines practical considerations with aesthetic principles.
