FRENCH DECO FROSTED GLASS PENDANT

\$1,980

c. 1930 • France • Metal, Glass • Collection #CFC578

H: 15.0" Dia: 13.0"

This refined frosted glass pendant light combines bold geometric metalwork with the soft refinement of French Art Deco art glass. The fixture has a conical, tapered form comprised of petal-form frosted glass shades seated in a nickel-plated bronze frame. The metal elements meet in a point at the center and are shaped with a fluted, ribbed texture typical of Art Deco design. The pendant hangs from a rod secured to a circular ceiling mount.

From the collection of Frances and Gary Comer.
