"FRUIT STUDY" BY WON TAI

\$680

c. 1900 • Beijing, China • Paint • Collection #AL001

W: 21.25" D: 0.75" H: 21.25"

With soft yet clear color, this Qing-dynasty watercolor by artist Won Tai depicts freshly snipped, fruit-laden branches presented in a fine porcelain bowl. Exploiting the medium's sheer color, the artist used a serene, pastel palette and a keen eye for detail in rendering the greenery and the bowl's detailed blue-and-white decoration and intricately carved wooden base. Mounted on silk behind glass with vintage gilt frame.
