CERAMIC GARDEN PEDESTAL

\$1,580

c. 1900 • Southern China, China • Ceramic • Collection #ZZZ075C

H: 26.75" Dia: 13.75"

This unusual early 20th century white glazed ceramic pedestal was made by an artisan in Southern China and features an hourglass form and floral cutouts. It's height indicates it was likely used in a garden for incense, tea or plants but, today, would work well indoors or out.
