GLAZED KITCHEN JAR

\$428

c. 1900 • Shanxi, China • Terra Cotta • Collection #TLB155Q

H: 9.25" Dia: 8.0"

A dark brown glaze clings to the tapered form of this 19th-century jar, once used daily in a Qing-dynasty kitchen as evidenced by the glazed interior. The wide-mouth jar is shaped with gently sloping sides, rounded shoulders topped with small strap handles, and a rounded lip at the opening. The dark glaze has a matte finish with subtle blistering, textured by the banded surface of the ceramic body.
