GUATEMALAN CHILD'S CHAIR

\$980

c. 1900 • Central America • Wood • Collection #CBH003B

W: 14.5" D: 14.0" H: 25.75"

Crafted in the early 20th century, this petite Guatemalan children's chair charms with its playful asymmetry and richly textured surface. Influenced by Spanish Colonial furniture design, the chair has a slatted back incised with abstract patterns and a small bird perched on a branch. The low seat is the perfect height for a youngster, but we love this petite chair as a low side table or display stand.
