The People's Republic, China • Guangdong, China • Northern Elmwood, Steel • Collection #CAI086

W: 18.5" D: 18.25" H: 19.5"

This smart, contemporary table was made in Canton, China. It has a reclaimed elm wood top: a favorite for Ming and Qing dynasty Chinese furniture-makers. The raw, natural edges of the wood contrast beautifully with the hard lines of the contemporary steel cube base which allows the table to work in both modern and traditional interiors.
