HAND-CARVED TIGERMAN LOTUS FORM ZHENZHU BASIN

\$2,380

Northern China, China • Stone • Collection #B8002

W: 21.5" D: 21.5" H: 7.5"

Hand-carved of mesmerizing zhenzhu, this contemporary stone basin evokes the graceful shape of a traditional lotus flower. Shaped with undulating curves, the container has the look of freeform pottery. Exploiting the stone's conglomerate nature to suggest painterly daubs of color, the sculptor gives the vessel an almost fluid appearance.
