HAND-CARVED TIGERMAN SQUARED ZHENZHU BASIN

\$980

Shandong, China • Stone • Collection #B5104

W: 16.25" D: 16.25" H: 6.5"

A clean-lined interpretation of an ancient form, this stone basin was hand-carved with a rounded interior within finely edged square form. The basin looks meticulously painted, but the mesmerizing pattern of zhenzhu is inherent to the stone, a conglomerate limestone extracted from Lake Tai in Jiangsu province. Intriguing and beautiful, the exceptional patterning of this basin calls to be touched.
