## HEADREST

**\$180**

c. 1900 • Southern China, China • Porcelain • Collection #RRR031

W: 3.0" D: 5.0" H: 3.5"

In ancient China, pillows were thought to guide and influence a person's dreams, which were important because they were believed to influence your waking life. The design, color, material, and shape of a pillow were all specially chosen and had significance. This beautiful porcelain pillow, made over a hundred years ago in Southern China, would require the sleeper to rest in a specific position considered to be better for the body. Each brilliant jade green pillow varies slightly in color and shape.
