

INCISED COPPER CURRENCY ANKLET

\$2,980

c. 1900 • Nigeria • Copper • Collection #CAA0288A

W: 3.5" D: 3.5" H: 4.25"

Time honored texture and form define this Nigerian copper sculptural object. The intricate geometry was achieved through a process known as scarification. The artisan would meticulously trace and retrace their carvings to create the definition and discoloration exhibited here. A woman of status used this anklet as both ceremonial garb and as an expression of her day to day wealth. It has been mounted on a custom steel stand.
