PROVINCIAL IRON BELL

\$388

c. 1850 • Northern China, China • Iron • Collection #S122

H: 10.5" Dia: 12.0"

This rustic, 19th-century iron bell once pealed in celebration or gave notice of important events in a town in northern China. Its wide mouth and flattened lip give this bell unique character, complemented by its fantastic, textured surface. The perfect addition to a garden, this bell looks especially lovely nestled beside others as a sculptural installation.
