JADE BEAD NECKLACE

\$148

Henan, China • Jade • Collection #ZZZ036C

Dia: 8.5"

It is easy to appreciate this unique necklace for the stone's lustrous beauty or the finely carved frogs, but in Chinese culture, jade is more than decorative. The stone was thought to imbue a person with a clear mind and pure spirit, and to guard against evil spirits or illness. In China, parents often give their babies tiny jade bangles to wear to ward off bad luck.
