PAIR OF JADE CHARMS

\$488

c. 1900 • Henan, China • Jade, Steel • Collection #ZZZ035E

W: 3.5" D: 1.5" H: 4.0"

This pair of half moon jade charms is carefully etched with abstract scrollwork, possibly meant to resemble two primitive dragons with tails intertwined. Charms such as these were worn as pendants from the waist and were thought to protect from misfortune and evil influence. Mounted on custom steel stands, these jade charms are the perfect accent to a desk or bookcase.
