W: 25.5" D: 7.25" H: 6.5"

This exquisitely carved altar table played an integral part in home ancestral worship. Supporting incense, food offerings or symbolic objects, this table's beautiful design attests to the importance of such rituals and likely would have a place of prominence. Made of black-stained poplar, the small table has a striking silhouette, defined by its everted ends, cloud scroll spandrels and carved side panels.
