## MINIATURE HUANGHUALI SIDE TABLE

**\$138**

Northern China, China • Yellow Rosewood • Collection #X087AC

W: 2.75" D: 2.25" H: 4.25"

A full size table with this level of workmanship would be an incredible find, but this beautiful piece of furniture—at only four inches tall—is perfectly constructed down to the tiniest minutia. The table was made in Northern China out of Huanghuali, a wood prized by furniture makers for its distinctive grain and incredible strength. The joinery techniques, subtly decorated apron and clean lines all impeccably reflect the best Chinese furniture design.
