MINIATURE NOODLE CABINET

\$980

c. 1850 • Northern China, China • Northern Elmwood • Collection #Z094

W: 9.5" D: 5.75" H: 14.25"

A treasure of a chest, this charming miniature cabinet is named for the narrow, rounded molding that surrounds the frame and resembles noodles. Lacquered rich red, the small cabinet exhibits the same high level of craftsmanship found in larger such cabinets made in the Qing dynasty with exquisitely painted floral decorations and handcrafted hardware. The cabinet opens to a single shelf, making it just the place to stow jewelry and other valuables.
