CITRON BOTTLENECK VASE

\$880

Southern China, China • Porcelain • Collection #BJCC114

H: 21.75" Dia: 15.5"

Drawing on a long Chinese tradition of monochrome ceramics, this tall gooseneck vase is glazed in cheerful, citron-yellow glaze. The vase features a rounded, globular body and a narrow cylindrical neck, a classic form known as 'tianqiuping' or 'celestial ball vase.' Crafted in China's Zhejiang province, contemporary ceramists reinterpreted this traditional shape with clean lines and an understated sculptural presence.
