TWIN MYTHICAL JAR

\$680

c. 1900 • Fujian, China • Ceramic • Collection #BJC039

W: 13.0" D: 10.0" H: 14.0"

The Chinese artisan who made this unique double-sided jar used a beautiful neutral glaze and incredibly detailed etching to add texture and depth to these whimsical figures. The jar was made in China's Fujian Province, but the design references a style of ancient vessels, occasionally uncovered in Neolithic tombs.
