## PAINTED DRUM STOOL

**\$1,680**

c. 1850 • Shanxi, China • Paint, Northern Elmwood • Collection #BJG018

H: 13.75" Dia: 11.0"

This 19th-century drum stool was carved from a single block of elmwood and painted a rich shade of cinnabar red, with bands of black ringing the top and bottom. The painted stool wears its age proudly, beautifully textured from over a century of loving wear and use. The drum's petite size makes it especially versatile, perfectly suited as a tabletop display stand or low side table.
