TWO DOOR CABINET

\$3,980

c. 1850 • Shanxi, China • Northern Elmwood • Collection #BJDD054

W: 38.25" D: 17.75" H: 39.0"

If you appreciate the austere beauty of Chinese furniture but also want a design that speaks to modern tastes, this chest may be perfect for you. The classic mortise and tenon joinery, substantial hardware and simple lines provide a spirit of solidity to this low cabinet. Originally used to store household items that needed to be close at hand, in today's home it makes a fantastic display and storage piece.
