## PAGODA RED

## PERSIMMON BOTTLENECK VASE

## \$680

Southern China, China • Porcelain • Collection #BJCC110 H: 19.0" Dia: 10.0"

Drawing on a long Chinese tradition of ceramics, this striking long-necked vase is cloaked in an all-over persimmonorange glaze. With a rounded, globular body and cylindrical neck, the large vase reinterprets the traditional gooseneck shape known as a "celestial ball vase" with clean lines and an understated sculptural presence. The striking orange glaze nods to the Song dynasty (960-1279) when tastes shifted to monochrome glazes in single, statement-making colors.

Each jar is hand-made. Dimensions vary slightly.
