## PETITE ALTAR COFFER WITH DANCING DRAGON APRON

**\$2,880**

c. 1900 • Henan, China • Willow, Brass, Lacquer • Collection #DVF003

W: 39.25" D: 9.5" H: 23.75"

This 19th-century altar coffer with everted ends is made striking by a delicately carved apron featuring two scaly dragons dancing amid swirling clouds. The table would have originally been much lower to the ground, to be used beside a kang bed in a woman's sleeping quarters. Our carpenters, skilled in traditional methods, have elongated the legs to make the console more functional for the modern home.
