## PETITE ALTAR

**\$2,180**

c. 1850 • Northern China, China • Northern Elmwood, Lacquer • Collection #BJEE233

W: 40.5" D: 10.5" H: 35.5"

In its original use, the central shelf would have sat open to display a small deity. The flanking drawers would have held all of the necessary accoutrements for worship. Our carpenters, skilled in traditional methods, elongated the legs to make it more functional for today. The negative space framed by the hoof feet and slim legs encourage the eye up to the body of the piece. These traditional design aesthetics contribute simplicity and lightness to any modern context.
