PETITE CITRON GOOSENECK VASE

\$480

Beijing, China • Porcelain • Collection #BJCC108

H: 15.0" Dia: 9.0"

The striking, bright yellow of this vase draws on a long Chinese tradition of glazing sculptural forms with a single, statement-making color. This contemporary take coats the long neck and round curves of the gooseneck shape in glossy, citron yellow. Considered the most beautiful and prestigious color, the yellow glaze symbolizes good fortune and lends a cheerful splash of color to any room.
