c. 1900 • Northern China, China • Walnut, Brass • Collection #BJD083

W: 19.5" D: 13.75" H: 26.5"

The quiet elegance of this petite cabinet is thanks to its simple design and clean, bold lines. Though its impactful design is quite modern, the Qing-dynasty craftsmanship of the piece is clear in its fine finish, original brass hardware, and traditional mortise and tenon joinery. With two shelves and a top drawer, the low cabinet fits beautifully into the home as a side table or nightstand.
