PETITE NIGHT SKY GOOSENECK VASE

\$480

Beijing, China • Porcelain • Collection #BJCC109

H: 15.0" Dia: 9.0"

The arresting, deep blue of this petite vase draws on a long Chinese tradition of glazing sculptural forms with a single, statement-making color. Like an inky night sky, this contemporary take cloaks the long neck and round curves of the gooseneck shape in a glossy, dark blue glaze. Closely associated with the heavens, the rich indigo finish adds a striking splash of color to any room.
