PLANK TOP ALTAR TABLE WITH EVERTED ENDS

\$16,080

c. 1850 • Shanxi, China • Northern Elmwood • Collection #BJB012

W: 81.5" D: 17.5" H: 36.25"

With everted ends and square legs, this altar table expresses classic Qing-dynasty design, but the hand-carved spandrels are extraordinary and truly set the design apart. Trimmed with a finely beaded edge, the spandrels are carved with a scrolled vine motif, pierced to give the solid table a light, airy feel. It was crafted in the Shanxi region of China over a hundred fifty years ago, and age has only added to the beauty and luster of its northern elmwood finish.
