PROVINCIAL DISPLAY STAND

\$880

c. 1900 • Shandong, China • Walnut • Collection #Z090

W: 23.25" D: 11.25" H: 5.0"

A Chinese artisan in Shandong Province hand-carved this low table from a single select piece of walnut wood a hundred years ago. It was created with elegant simplicity, likely as a foot rest—though we prefer to use it today as a display stand. The wood has acquired a great patina and lustrous glow with age.
