PROVINCIAL DISPLAY STONE

\$480

1940 • Shanxi, China • Stone • Collection #BJGG074D

W: 14.75" D: 8.5" H: 1.75"

This thin stone slab was shaped by a stonecutter in the early 20th century for use as a tile in a provincial region of Shanxi province. An elegant way to display a vase or decorative object, the stone is an unexpected way to add texture to a bookcase or tabletop.
